Dog Walking Support: Pre-walk survey

This survey has been developed to ensure the highest standards of safety and welfare for both the dog walking volunteer and the dog being walked. A member of Bristol City Council's covid-19 volunteer staff may provide you with this information. If not go through this survey with the dog owner in advance of the first walk **by phone** to ensure that you don't have to have long face to face contact on the doorstep.

Question 1: Dog Owner's Name

Your dog…

Question 2: Dog's Name
